### *Westminster Legacy Foundation Annual Report 2009*

The Westminster Legacy Foundation was established in 2001 to enhance programs and projects that benefit the Westminster community. The foundation is a 501(c)(3) non-profit organization supporting youth and senior programs, open space and parks, education and library services, public safety, cultural arts, social services, community relations and historical legacy.

### *A Message to the Community*

Dear Friends,

Just about every aspect of our lives has been affected financially in some way over the last twelve months. Our families have made sacrifices that we never imagined having to make. Even so, in these hard times, dedicated volunteers, sponsors and friends of the Westminster Legacy Foundation (WLF) have not lost sight of the contributing role we have in the community. The gifts of money, time, and talent donated to the Foundation have assisted us in reaching our goals in 2009. For this, I am truly grateful.

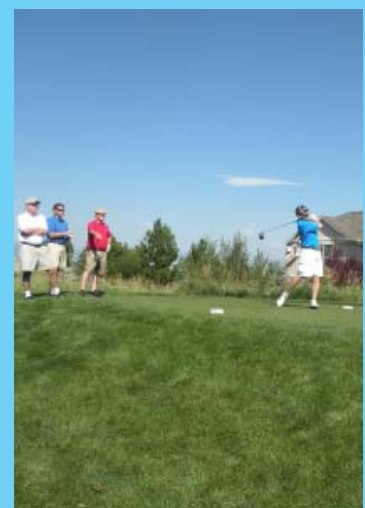

Our grant program is funded through donations from businesses and individuals and our two very successful fundraising events, the J and Nancy Heil Tribute Golf Tournament and the Wine Tasting and Silent Auction at the Westin Hotel. The WLF is proud to have awarded 17 grants, totaling \$50,000, to 501(c)(3) organizations dedicated to improving the lives of Westminster residents.

We would like to thank those who have contributed to the Westminster Legacy Foundation. Continuing the cycle of giving makes a difference in the lives of families, friends, and neighbors.

The Westminster Legacy Foundation currently has openings for new Board members. Please contact us if you wish to be part of a vibrant organization dedicated to enhancing the lives of Westminster residents.

Ed Getsch, President
